For more information for lots with a "O" next to it call 219-762-7757. All other lots please call the Lot Owners Office at 219-762-4141.

All sales are cash sales, there is no financing through the park. Once you purchase a campsite you are responsible for; paying your dues and maintenace to the LMOA office (currently $100.00 a month all year), you must pay your property tax through the county, pay your electric bill (from LMOA office), and maintain your property and yard.
